Dog Fouling

East Riding of Yorkshire Council (ERYC) has raised concern regarding the amount of dog fouling that is present on our grassy areas. The Parish Council have been informed that if the amount of dog fouling continues on the grass they may refuse to cut it. We really don't want this to happen and want to keep Huggate free from dog fouling, therefore this is a polite plea to everyone:

Firstly, please accompany your dog when it goes outside in case it does more than just a wee

Secondly if you feel confident to challenge an offending dog owner and ask them to use the nearest bin or take it home, please do so. If instead you don't want to challenge them, please let your parish council know (clerk-huggate@outlook.com) and we will consider what action to take

ERYC has a dog warden who dog fouling offences can be reported to by calling 01482 396301 (this can result in a £75 fixed penalty being issued.)

All of the village's litter bins may be used for disposing of bagged up dog waste and we appreciate that you as residents might not be the owners of the offending dogs, due to the village being frequently used by visitors to the Wolds, therefore we have purchased templates to stencil on to pavements to deter dog fouling which we hope will improve the present situation.

Thank you for your support to keep our village clean, safe and free from dog fouling.

Huggate News is grateful to the Parish Council for agreeing further support for the costs of producing Huggate News.

Kevin Gulwell-Fozzard

Dear All,

The funeral of my beloved husband took place at East Riding Crematorium [Opton] on Wednesday the 22nd of May. From the three of us, a most sincere "thank you" to the many scores of you who attended the service that afternoon.

A collection was held for **MIND** the mental health charity and I am pleased to advise that a total of £1,000 was donated. I will arrange to present, proudly, this sum as a cheque to **MIND** in Beverley, in June.

Last but not least, thank you for all the support and kindness you have shown us during the past few weeks.....from the [54] cards and hand-written letters; to the anonymous, but most welcome, food packages that are mysteriously left and placed on our front doorstep – the latter; every one of them absolutely delicious!!!!

Thank you....

Kevin, Rusty and Olive.
